One cord access hole in back, black masonite back

NOTES All files and storage pedestals are designed for under work station applications only
 All pedestals have unfinished tops, backs and adjustable glides
 Storage pedestals are 3/4" thermofused melamine plastic laminate w/matching edge.
 File drawers feature full extension telescoping drawer slides
 Drawer faces are attached onto 9-ply plywood drawer boxes
 Plywood drawers are finished with a four step finishing process
 Files are set up for standard and legal filing side-to-side
 Storage pedestals 24" wide and wider are supplied with a black metal wire pull (MW)
 see options page for other colors
 Adjustable glides are supplied to level pedestals
